Dori Bodman

Better at Home Program Coordinator Clinical Counsellor

Dori has worked at a wide variety of jobs that ranged from prep cook at a lodge and private school settings; insurance office clerk; artist/instructor of mosaics, silversmithing/jewellery making; and animal nutrition. Dori then studied Human Nutrition and received a diploma in Holistic Nutrition and other courses related to the care and support of children and adults. Since June 2014 Dori has worked with PCFSA coordinating the Better at Home West Shore program for Older Adults. When she is not working Dori enjoys time spent with family, photography and rock hounding at the local beaches.
