Community Outreach Prevention & Education Program (C.O.P.E.)

What We're About

C.O.P.E. is a voluntary prevention/early intervention program for youth (aged 5-18) & their families.

What We Do

- Short term one to one sessions with youth.
- Confidential, non-judgemental, non-discriminatory support.
- Guidance in connecting with community resources.
- The flexibility to see youth in an office setting or out in the community.
- Various groups either based on trends and gaps determined in the community.
- Referrals to other programs, either within Pacific Centre or to external agencies as needed.

How Youth Connect to C.O.P.E.?

C.O.P.E. receives referrals from:

- Youth
- Families
- Community Members
- School Staff
- Police
- Fire Department
- Other professionals

C.O.P.E. provides services free of charge to the residents of Colwood and Langford. These municipalities provide the funding for this essential service.
