## Sponsorship & Partnership Opportunities

Since 1968, Pacific Centre Family Services Association has been promoting dignity and quality of life for families and individuals across Greater Victoria, especially on the West Shore, through education, counselling and creative programming. They offer a wide range of vital services for people dealing with substance use, mental health issues, and day-to-day life challenges. Across 14 core programs, their services are improving the lives of an average of 1,700 youth-at-risk, adults, families and seniors each year.
